

*ACWA Mission is to preserve the heritage of the Chuck Wagon*

## **ACWA President's Message May 2022**

Dear ACWA Friends,

I hope everyone has had a wonderful April! Spring is upon us, and summer is right around the corner, so that means a lot of chuck wagon cooking. Please share pictures of the events that you cook at on our ACWA Facebook page. Especially events you are reaching out to our youth.

We got some more ways you can reach out to new prospective members. We are getting 5,000 business cards made that we will be mailed to each of your Board of Directors. The directors will get them to other chuck wagon cooks so they can be given to people interested in ACWA that come to your wagon. They are a simple business card with a QR code on the front and a free recipe on the back. Also do not forget to print out the new brochures to also have in your chuck wagon. Remember the theme this year is ***Let us Promote ACWA!***

I hope and pray you have a safe and memorable month of May. See you down the trail!

Vaya con Dios,  
Justin Jackson  
2022 ACWA President
